

NEXT YEAR'S FACULTY NAMED FOR SEQUOIA

The annual meeting of the trustees of Sequoia Union High School was held last Saturday in the office of the high school building to appoint the faculty for the coming year and to organize the board. L. P. Behrens was chosen chairman and T. O. Heydenfeldt, clerk.

Principal Argo gave a lengthy report of the work of the school during the past year and outlined its needs for the future. The trustees pledged him hearty support in his efforts.

The Pacific Time Clock Company of San Francisco was awarded the contract to install the clocks in the new high school.

Thomas Heydenfeldt was made superintendent of the new "school grounds" at a salary of \$150 a month.

Under the new order of the board, meetings will be held every third Saturday of the month to audit bills and to transact other business.

Nearly all the teachers selected received substantial raises in salary. The following are the teachers appointed:

A. C. Argo, Principal.
John Gill, Vice-Principal.
O. M. Carrington, Music and Free Hand Drawing.
B. E. Myers, Commercial.
F. Schmidt, Mechanical Drawing.
A. M. Cuthbertson, Science.
Frank Griffin, Physical Education.
Paul Gerrish, Mathematics.
James Bradshaw, Physical Education.

Geo. Bell, Mechanical Arts.
Catherine J. Boyle, English.
Anna N. N. Social Science.
Mildred Proctor, Domestic Science.
Rose Kelley, Language.
Eva Abrams, Commercial.
Julienne Walters, Language.
Irene Bradley, Physical Education.
May Cowden, Social Science.
C. L. Anderson, Science.

Miss Adeline Gerwin, Librarian.
Mrs. Blanche Hopkins, Secretary.

McKEE ANNEXES TRACK HONORS

Duke McKee carried the Sequoia colors to victory in the recent C. I. F. and P. A. L. track meets held at the Stanford Oval.

In the C. I. F. meet, against the cream of the sections athletes, the Sequoia won took second place, 4-5 feet 9 inches. Last Saturday, in the Peninsula League meet, he carried away first honors in this broad jump and tied for first place in the high jump, leaping 20 feet 2 1/2 inches in the former event, and clearing 5 feet 6 inches in the latter.

McKee earns a well deserved black letter. He has been at work at these events since his entrance to Sequoia, and the success in his senior year.

Arrangements are now being made to send McKee to Los Angeles to represent Sequoia in the State Meet.

—Kiozan.

"To Her Whose Heart Is My Heart's Quiet Home, To My First Love—My Mother."

MOTHERHOOD is the one vocation in which age brings added honor and no lessening charm. No fame or glory that a woman may achieve in science, arts, or letters can raise her to a more exalted place.

From the griefs that follow the first little stumbling steps and on through after days, it is the Mothers of all races who bear the brunt of strife, smile through a blindness of tears and sorrows that our own troubles may be made the smaller by comparison.

We may not possess much of this world's goods, we may not be learned or excessively wise, but there is in each one of us, a deep understanding and a responsive chord that is touched and awakened when that one word is mentioned, "Mother."

LEGION TO SUPPORT MURYL BLOOMQUIST FOR PAGEANT QUEEN

At one of the best meetings yet held by the local post of the American Legion, the officers for the next six months were elected last Wednesday. The following are those selected for the coming term: Post Commander, Maj. Charles Armstrong; Vice-Commander, Roy Mingin; Finance Officer, L. J. Cooper; Adjutant, P. W. Thompson; Sergeant at Arms, Ed. Bonner.

Following the election, State Adjutant Morgan Keaton, gave an address on the American Legion, its principles and its workings, and told of a few of the accomplishments of that organization during the few years of its existence. It is planned to have Mr. Keaton speak again in Redwood City soon and give everyone a chance to hear this masterful lecturer.

The main point of the address of the evening was "service." The bronze discharge button on the service man's coat showed the service of war time while the Legion button showed that, and also the future service of peace time. A common service to a common God and a common country. The address was much appreciated by both the Legion and their guests, the Woman's Auxiliary.

The Legion then chose Miss Muryl Bloomquist to be their candidate for Queen of the Peninsula Pageant of Progress and are planning an extensive vote selling drive to make her the winner in the contest for this honor.

School Heads in Convention

A. C. Argo, principal of Sequoia Union High School, left yesterday for Yosemite Valley to attend the High School Principals' Convention which will convene at Camp Curry today and will continue until next Wednesday. The law requires all high school principals to attend this convention. Matters and laws pertaining to high schools will be discussed.

BELMONT NOTES

Mr. and Mrs. Frank O'Brien moved down from San Francisco to spend Wednesday evening with his mother, Mrs. J. J. O'Brien.

Mrs. Bertha Roe, daughter of Mrs. Erickson, is spending a few weeks at her home on Ralston avenue.

A crowd of twenty of Belmont's younger set, spent Sunday at Alum Rock. They were chaperoned by Mrs. Fred Johnson and Mrs. Paul Miller.

Mr. and Mrs. Alfred Pipin spent the week end in San Francisco.

Mrs. Porter E. Lam returned home from the St. Francis hospital Tuesday.

Mrs. William Turk visited in San Francisco Thursday.

PASSION PLAYS DRAWS 30,000 TO AUDITORIUM

Five remarkable performances of Clay M. Greene's "Passion Play of Santa Clara," by the students of Santa Clara University, drew 30,000 people to the Civic Auditorium, San Francisco, May 4, 5, and 6.

Lavishly staged, excellently presented and remarkably received, Greene's dramatic masterpiece of the Cross, caused a sensation in its short stay in San Francisco. Each performance was followed by an even larger attendance at the next, and at the conclusion of each presentation the great audience stood and acclaimed the author, the cast, and the director, general, Mr. Martin V. Merle.

One hundred and fifty students participated in the big production, which was presented in a prologue and seven acts. A symphony orchestra of fifty pieces, under the leadership of Camillo D'Alessio, noted European composer and conductor, accompanied the play.

It has been unofficially announced that the faculty and student body of Santa Clara University have decided to present the "Passion Play" every five years.

CARD PARTY POSTPONED

The card party of the Carmel Men's Council which was to have been held on Thursday, May 17, has been postponed one day and will be held on Friday evening, May 18th. The postponement was arranged so that the card party would not interfere with the joint meeting of the Native Sons and Native Daughters. The scene of the Carmel Men's party will be at the club rooms on Brewster street.

NEW BANK GETS CHARTER; PLANS TO OPEN SOON

The new bank, to be known as the Citizens National Bank of South San Francisco, has received its charter from D. R. Christinger, comptroller of the currency, and present plans indicate an early opening for business, probably about June 15th. The location has been practically decided.

SMART SET RAPIDLY TAKING OVER THEIR WOODSIDE HOMES

Members of the San Francisco smart set who have country homes at Woodside are already moving there for the summer months. The Lawson home has taken the John Lawson home at Woodside and are moving down in a week or so. Upon the return of the O'Daniel's, Jackling family from New York, their home in the fashionable Woodside colony will be opened for the season and they will have with them for a part of the summer Mrs. Jackling's brother-in-law and sister, Dr. and Mrs. Herbert Allen.

Mr. John A. Hooper, with both the Frank Hoopers and the Arthur Hoopers, are closing town houses this month and will go to Woodside, where they have beautiful country homes. The William Fitzhughs, the Samuel Ponds, the John Polhemuses, the Mortimer Fleishhackers, Mr. and Mrs. William Roth and Mrs. William Matson, the Douglas McBryde family, Dr. and Mrs. George Lyman, and the Julian Thornes are others of the Woodside colony who are leaving for the country this month.

SIGMA DELTA KAPPA DANCE COMING

Bids have been issued to many guests for the monster dance to be given by the Sigma Delta Kappa Alumnae next Friday evening, May 19th, at Forester's hall. Music will be furnished by Sharkey's Jazz Jingles and the young ladies in charge have been hard at work for the past several weeks in an effort to make their "Dance Orientale" the season's best.

The hall is to be decorated entirely in Oriental effects, which will supply plenty of chance for much clever and artistic adornment.

The proceeds are for the benefit of the Sigma Delta Kappa and the Sequoia. When "those that have gone before us" take such a deep interest in this great chronicle of our school, we surely ought to do our part by helping hand wherever possible.

Those in charge who are working with Miss Boyle for the success of the affair are: the Misses Helen Helmer, Violet Curran, Louise Fitzpatrick, Loraine Bresse, Claire Foley, Marie Pauline O'Connell and Nyda Lampkin.

—Ikozan.

WILL BUILD SUMMER HOMES AT SUNNYSIDE

George McNulty of the Fox-McNulty Lumber Co. took a load of lumber to Pescadero last Saturday for Mr. F. E. Peterson, Mr. Peterson recently purchased a building site on the Henry Dearborn ranch at Sunnyside, near Pescadero, and will erect a summer home there.

Mr. McNulty was so pleased with the country at Sunnyside that he, also, purchased a site from Mr. John Cullen, Menlo Park, plumber narrowly escaped serious injury last Wednesday when driving home from Daly City, where he was working. Coming along the highway through San Mateo, Cullen was forced to turn quickly to avoid a machine which drove directly in front of him. The sudden turn crushed the front wheel of Cullen's car. The other machine was not identified.

CONGREGATIONAL CHURCH

Rev. H. V. White, who occupied the pulpit last Sunday morning will preach again next Sunday morning and evening. Morning service at 11 o'clock; evening service 7:30 o'clock. Miss Clarissa Dodge, organist.

ARRESTED FOR DISTURBING THE PEACE

A party consisting of Charles B. Speckman, Joe Skelly, Mrs. C. Speckman, Mrs. J. C. Skelly and Mrs. Bessie Speckman were booked at the county jail last Thursday night by officers, McAllister and Kreiss on a charge of disturbing the peace. The offenders appeared before City Recorder Mansfield yesterday. All but Speckman, who was held on a charge of driving while intoxicated as well as disturbing the peace, were released on \$25 bail each. Speckman was held on \$500 cash bail or \$1,000 bond.

NEW BANK GETS CHARTER; PLANS TO OPEN SOON

The new bank, to be known as the Citizens National Bank of South San Francisco, has received its charter from D. R. Christinger, comptroller of the currency, and present plans indicate an early opening for business, probably about June 15th. The location has been practically decided.

Greatness often is a matter of distance. Big men never appear big until they move away.

LOCAL HAPPENINGS OF GENERAL INTEREST FOR WEEK

Forrest Moody formerly of this city spent last Saturday and Sunday here visiting his aunt, Mrs. Charles Bentley. Mr. Moody has been in charge of the Union Oil Company's business at Soledad for the past two years but resigned on the First of May and will engage in the insurance and stock-selling business. He expects to make his headquarters at Soledad for some time but hopes to return to Redwood City to reside before the end of the year.

Mr. and Mrs. C. Demma who left with their family for New Orleans four months ago, returned to Redwood City last week and Mr. Demma has taken charge of the Consumers Produce vegetable business at the Sunshine Store. The Demmas had expected to make New Orleans their future home but conditions there did not suit them, so they returned to Redwood City.

Miss C. Loftus, county nurse for the social service commission took two dependent children to Los Angeles Saturday and placed them with relatives.

Mr. and Mrs. Ed Beebe of Lobos were in town during the week visiting Mrs. Beebe's sister, Mrs. J. H. Mansfield.

Mrs. G. D. Marlon of Ashley avenue, Redwood Highlands, left Thursday to spend the week end with friends in Santa Rosa.

The Misses Gertrude and Lulu Beeger entertained a number of their friends at a house party last Saturday and Sunday at their charming summer home on La Honda creek.

George Dunn of Half Moon Bay and Carl Coburn of Pescadero were visitors in town Thursday.

Mrs. Eugene Pfaffin, Mrs. J. Lee Pipkin and Mrs. Frank Bloomquist were delegates to the conference of Congregational churches at San Jose Wednesday and Thursday. The three ladies were delegates from the local church and report a most interesting session.

Gus Frohm of the Sequoia Hotel, Forest, leaves for Los Angeles Saturday to spend the week. They expect to be gone about a week.

The Diamond Estate Company is building a large number of small houses in the Visitation valley. These are being put on the market at prices ranging from \$3,650 to \$4,650.

A petition is being circulated about Millbrae this week to organize a lighting district.

The Odd Fellows and Rebekahs not being able to have their picnic at the Old Folks Home, will visit the Orphans' Home at Gilroy instead. Those who are going are requested to be ready at 9 a. m. tomorrow.

OUR CREED

WE BELIEVE—

That the happiness and prosperity of the United States is the result of the large proportion of its citizens who are HOME OWNERS.

That the surest antidote for anarchy and social unrest is HOME OWNERSHIP.

That the HOME is the foundation of the Government.

That every citizen should be a HOME OWNER and every HOME OWNER a citizen.

That NOW is the time to BUY OR BUILD a

Home in San Mateo County

The County of Beautiful Homes.

JUNIOR COLLEGE WILL GIVE FIRST PLAY SOON

The students of the Junior College will give their first play of the spring season, Saturday evening, May 19, at the high school auditorium. "Roll of the Wild Out" is the subject of the comedy and is based on the escapades of a young man who longs to become a Shakespearean actor. He meets with setbacks which prove annoying and is greeted by many surprises not looked for.

Miss Anna Price is directing the play, and under her capable management its success is assured.

G. ANDEANI LOSSES SUIT

Superior Judge Geo. H. "Buck" Thursday handed down a decision in the case of G. Andreani vs. Torre Bros., a corporation, in which he gave judgment for the defendants. Andreani, a farmer of Moss Beach, brought suit to compel the defendants to execute a lease to him for farming property, alleging that he held an option, and that the date in his original lease to adjoining property was incorrect, the discovery of the incorrect date not having been made until after the papers were executed and filed.

Greatness often is a matter of distance. Big men never appear big until they move away.

WILL HOLD SCHOOL DAY

The County Board of Education has fixed June 1st as a school day for the Peninsula Pageant of Progress and will ask the teachers of the county to bring their pupils to San Carlos to take part in the exercises. Professor L. E. Adams of South San Francisco will have charge of all of the athletic events and will have a committee to take charge of the races and other contests.

The managers of the Pageant have provided prizes and will encourage the young student to strive for the awards.

COUNTY BOARD OF EDUCATION MEETS

The San Mateo County Board of Education met at the office of Superintendent Cloud yesterday and fixed the times for the regular annual examinations for graduations from the grammar schools of the county. The board decided to hold achievement tests as they did last December and these tests will be given by the different members of the County Board at different centers of the county on May 28th and 29th. Standard tests will be given.

Mrs. Emilia Vasquez has been confined to her home on Stambaugh street for several days with an attack of the influenza.

NATIVE DAUGHTERS CELEBRATE 35TH ANNIVERSARY

The anniversary of the founding of Bonita Parlor N. D. G. W. was celebrated last Thursday night by the members of that parlor. The local parlor was instituted in May 11, 1887, the first meeting being held in the Wahl building at which there were about fifty present.

After the regular meeting of the parlor, a hot turkey dinner was served in the beautifully decorated banquet room of the Foresters' hall. Tables were set for seventy-two, and each place was marked with an appropriate souvenir place card. A pleasing part of the program was the presentation to each of the remaining charter members, Mrs. Mamie Glennan, Mrs. Edna Mengels, Mrs. Minnie Murray, Mrs. Sophie Offerman, and Mrs. Lottie Heise of a little cut-glass and silver basket as a gift from the parlor. The occasion being also the birthday of Miss Lizzie Hadier, a member of long standing, she was made the recipient of a gift from her sister members as a token of the love and esteem in which she is held.

The evening was completed by the meeting adjourning and all hands attending the second performance of "Thelma" at the Sequoia Theatre.

OIL COMPANY OPEN LOCAL OFFICES

The Elk Hills Pool Oil Company have leased one of the Dussell offices and are opening an office as headquarters for their oil project on the coastside. The local office will be in charge of * * * * * who has been representing the company locally for the past several months. This city will be made the headquarters and supply base for both leases which are being drilled upon at present, one at Bellvale and one in the Purissima canyon.

SUES FOR DIVORCE

Court here by Mrs. Genevieve Mangers for divorce from George Mangers of San Mateo. The plaintiff in the action charges cruelty and asks for \$100 per month alimony.

THE P. P. F. AND FAIR MOST INSTRUCTIVE AND ENTERTAINING EVER HELD

Active demonstration as well as the still exhibit promises to make the tri-county Peninsula Pageant of Progress and Fair to be held at San Carlos, May 26 to June 3, one of the most entertaining and instructive ever held in the state, according to officials of the Fair Association, who are in charge.

Motion and actual operation will be the keynote of the play contemplated and now practically arranged for. Thus various farming machinery will be shown as if on the job, incubators will be in operation, auto engines will be exposed and running, and the inner workings of all manner of things made clear.

The Anti-Tuberculosis Association will have a comprehensive exhibit. It will not be the old cut and dried method of chart and diagrammatic display with many statistical figures. There will be actual demonstrations of the preventive work being done. The committee in charge of this educational feature of prime importance to the general public will be made up of Mrs. H. Dana, Mrs. Harry Poett, Mrs. Thomas Breeze, Mrs. George Howard, Mrs. Jaes Goodman, Mrs. Francis Loomis, Mrs. John Rothschilds, and Mrs. Morris Leibman. Mrs. D. E. Graham is chairman.

Thus there will practically be no division in the department of exhibits in the big exposition where there will not be the hum of wheels, the clang of metal or the more subtle processes which achieve results while one is looking on. Machinery of all sorts will be in motion creating or working towards a definite result.

A booklet containing a list of premiums has just come off the presses for the information of exhibitors in all divisions. These may be had on application to Secretary R. H. K. Smith at the Redwood City Chamber of Commerce.

COLMA MAN ACCUSED OF CRUELTY BY WIFE

Frederico Muto, a resident of Colma, has been extremely cruel to his wife for nine years, according to allegations in a complaint for divorce filed by Mrs. Louisa Muto.

Muto is alleged to have nagged and abused Mrs. Muto and to have asked her to leave home and go to work. He is said to be addicted to the use of wine and strong liquor, and becomes very angry, sullen and morose from its effects.

To be a really successful salesman you ought to be able to sell yourself, but a good many who try it

NATIVES TO CROSS BATS WITH MT. VIEW SUNDAY

Next Sunday the sixth game of the Grizzly Bear league, for the Redwood City team will take place at Mountain View, at which time the local boys will cross bats with the Mountain View team. So far in the league games the scores have favored the Half Moon Bay team which is in the lead.

Redwood City Boys

Last Sunday the Redwood City boys defeated the Rincon team on the local field. This was the first game of the season for the outsiders and part of the reason for the score of 14 to 2 may be the fact that the team was not in the best of shape.

The position of the various teams of the league so far is as follows:

Name	Won	Lost
Half Moon Bay	5	1
South San Francisco	4	1
Redwood City	4	2
Palo Alto	3	2
Mountain View	3	2
San Jose	1	4
Menlo Park	0	5
Rincon	0	1

The other games to be played this week are as follows:

San Jose vs. Palo Alto at Palo Alto; Rincon vs. Seaside at Half Moon Bay; Menlo Park vs. South San Francisco at Redwood City.

Notes From Superior Court

In the Superior Court of San Mateo County, State of California. Present Hon. Geo. H. Buck, Judge. Dated May 10, 1923.

Estate of Daniel J. Donohue, Petitioner for letters of administration. Continued 4 weeks.

Estate of Maria Devincenzi. Further list and final account and petition for distribution. Continued 4 weeks.

Estate and guardianship of Angela Bottini, a minor. Final and final account and petition for distribution. Settled.

The First National Bank

—an account here does it. —a good place.

PROGRESS CLUB ORGANIZED LAST WEDNESDAY

Last Wednesday marked the beginning of another factor which will prove instrumental in the betterment of Redwood City, this is the Progress Club, which held its first meeting at the Women's Club house on the evening of that day and proceeded to develop a preliminary organization.

The meeting was opened by Merion Houghs, who has been largely responsible for the formation of the new organization. E. T. McGittigan was appointed temporary chairman. A citizen's committee was appointed for the purpose of drawing up a code of by-laws and outlining a plan of operation for the club. The committee appointed consists of D. W. Williams, W. S. Baker, Nelson Andrews, J. Miller and G. G. Gregory.

The Progress Club is an organization composed of home owners and business men of Redwood City who are interested in making the town a better place in which to live. It is not restricted to any one section of the town but comprises every district and is for the improvement of all section alike.

PRESENT TREES TO CIVIC CENTER

Two Italian Cypress trees are now growing in the lawn in front of the fire house as the result of a gift from the Native Sons and Daughters. The two little trees add a pleasing touch to the appearance of the town's civic center, and the two organizations who are always among the first in matters of this kind, should receive the thanks of the whole town for their generosity.

ACHIEVEMENTS OF TYPING STUDENTS

The following students recently typed typists. Organization in Chicago, Ill., and received their Certificate of Junior Membership:

Ralph Woodhams, Miles Sharkey, Catherine Britschgi, Gertrude Cashman, Rose Borges, Gladys Cronk, Florence Perry, Kimball Anderson, Alice Tiedemann, Ada Hinkle, Carl Johnson, Alice Svinus, Maudie M. Smith, Alverta Johnson, Lillian Thompson, Grace L. Dearborn.

Grace Dearborn won honorable mention for having the best paper in the Club and received a beautiful bronze O. A. T. pin as a special award.

The following students were successful in passing the April Underwood test and received the following awards:

Silver medal: Esther Carter; bronze medal: Eleanor Bomberg, Pauline Brooks, Guditta Charlie, Letitia Gabberry, William Jones, Frances Ryan, Marjorie Salberg, Grace Dearborn; certificates: Gertrude Cashman, Lillian Deluchi, Catherine Britschgi, Alverta Johnson, —Ikozan.

U. S. of America vs. Manuel Bernardo et al. Demurrer of Manuel Bernardo Edward Bernard and Maymie Crowley to complaint. Continued 1 week.

Ella M. Collopy vs. The California Highway Commission et al. Trial. Continued to May 21, 1923.

James Millett et al. vs. The California Highway Commission et al. Trial. Continued to May 21, 1923.

Viola Dillon vs. Herman Rudolph. Demurrer to complaint. Submitted and sustained ten days to amend.

Dora Emily Reading vs. Leonard S. Reading. Order to show cause. Continued to July 5, 1923.

W. W. Carson vs. J. W. Goodwin et al. demurrer to complaint. Submitted.

Leonard Freer vs. J. E. Healey et al. Motion to set cause for trial. Set for May 19, 1923.

Marshall Offenbach et al. vs. Market Street Railway Company, a corporation. Motion to set cause for trial. Continued 1 week.

C. S. Payne vs. American Railway Express Company, a corporation, et al. Motion to dismiss appeal. Denied.

THE SPOKEN PLAY

Last week at Chautauqua we saw "The Shepherd of the Hills." It was put on by a cast of very fair actors. It was the first time some of us had seen a spoken drama for quite awhile. The movie is getting us out of the old habits. It is good to go back to the old times, once in awhile. People in the big cities have a chance to go to the legitimate theatre whenever they wish but the day of the traveling troupe that visits the small town, is past. Somehow a spoken play that is based on a good clean story leaves a great deal stronger impression on one than a movie of the same story would do. So we are glad that we saw "The Shepherd of the Hills," and had a chance to use our ears.

LUTHER BURBANK

Our neighbors up in Santa Rosa are going to do homage to Luther Burbank next week. We feel that it is a fine thing for the friends of this distinguished American to pay him the respect that is his due. Luther Burbank is a wonderful man. He has always been a hard worker, but he has worked unselfishly. He hasn't tried to pile up a fortune, but he has tried to make things pleasanter and better for mankind. He has tried to make fruit trees bear more heavily. He has endeavored to give the world a greater amount of food stuffs. He has made flowers more beautiful. He has taken the spine from the cactus that the animals of the desert might have food and drink in the parched places.

It speaks well for Santa Rosans that they are giving the little wizard of the plants, praise while he can hear it, and posses while he can enjoy them.

MOTHER'S DAY

Tomorrow is "Mother's Day." If you have a mother, go and see her tomorrow, if you can. If you can't go to her, write her a letter and tell her that you love her. It won't take you very long to do this and it will give her a great deal of happiness. You will never realize until it is too late what you might have done to make mother just a little bit happier.

When you think of all that she did for you in those by-gone days, you can realize that you can never make up for the heartache and neglect.

It takes so little to make a mother happy. Somehow God put something into her heart that just welled up with gladness everytime you accomplished something or showed her a little attention.

So write home tomorrow or better still take a bouquet over to your mother and tell her that you love her.

HOME SWEET HOME

John Howard Payne gave "Home Sweet Home" to the world, May 8, 1823. For a hundred years his little sentimental song has brought tears to the eyes and a longing to the heart of many a wanderer. Mr. Payne will be forgotten but it is doubtful if his song ever will be. Home is the greatest institution the world has ever produced. All of our thoughts and memories are clustered about home; so the song of "Home Sweet Home" will always find a ready response in the heart of the American people.

KNOW YOUR COUNTRY

We wonder how many of the vacationists of our towns who make annual pilgrimages to Yosemite and other points of interest near and far, realize the diversity of scenery and the beauty spots of nature right at their back doors. We do not know of any other one county in the state that can boast as great a variety of scenes as can our own. We have here a type of natural beauty to suit every taste. To those who delight in mountain grandeur and the beauty of the mountain stream we do not hesitate to recommend any one of the rough, wild canyons of the Pescadero or Butano country. If one prefers the rolling hills and oak forests, he can find just the country for his taste anywhere along the eastern slope of the foothills. If the sea shore is desired, San Mateo county can boast as fine beaches as any coast and the rough craggy cliffs of some parts of our coast line form as picturesque an outline against our sunny skies as any of the famed cliffs of Dover or Monterey. For cultivated beauty, our county can compare with any, one need only to drive through any one of our towns or cities to realize that. And that we must not forget the marsh land, those wide expanses of marsh grass, whose green is checked off by winding channels of blue water, and whose sedges form the retreat of countless varieties of the feathered tribe. Mountain, plane, lake, valley or shore, all alike have their part in making this one of nature's masterpieces. We believe in "seeing America first," but for San Mateo county people we would say, "See San Mateo County First."

CONSOLIDATED SCHOOLS

"The farm offers the best home for the family and is the chief source of our national wealth; and the farm family is the chief foundation of our civilized society." So says Professor Macy Campbell, of Cedar Falls, Iowa. He regards the consolidated school as the conservator of the farm home. Our country children must be educated, and as well educated as the city child, else the farm home will be abandoned and ambitious parents move into the city. This is only possible through the consolidated school.

TOO MUCH CREDIT NOW!

Too many individuals are thinking about making borrowing easier; too few of them are counting the cost of paying debts. The future is being mortgaged to an extent which is appalling. Somebody is going to pay the bills, and when paytime comes the groaning will be painful.

An Old County Fair in '59

Now that we hear so much of the Peninsula Pageant of Progress we might give just a thought to an old time county fair. Who remembers the fair over on the island way back in November, 1859? John Ford does, and he came in and reminded us of it, and the Times-Gazette does too, for it contained quite a story of the horse racing, the cattle trading, and last but not least the big ball which was held in the upper story of the old court house in the evening. In those days the court house was the general meeting place where the church services were held on Sunday, where the Masons held their lodge and the Odd Fellows too, and where the fire company, which was the chief social organization in the town held their dances. The "Island" in those days was all that its name implied, and was, we are told, only to be reached by one bridge, known as Diller's bridge where Washington street now runs. It was on this island that the fair was held, and considering the sparsely settled condition of the county, it must have been "some fair." The Gazette tells us that it was held by the Pacific Agricultural Society, and was visited by no less important persons than Colonel Warren, editor of The Farmer, and Fred MacCrillon, of The Alta. A list of the entries was also given in our files and judging from the character of the exhibits, this fair was truly agricultural. A few of them are here given: twenty-two entries of horses; two mules; twenty rattle; five swine and one entry of poultry. Some miscellaneous exhibits of harness, guns, truit, buggies and coppers were also entered. It is said that one exhibitor displayed fifty-two varieties of apples grown in the Santa Clara valley.

The story goes on to say further that the horse racing was somewhat of a failure because the county road, which was selected as the course, as being the best road in the vicinity, was too rough for the horse to go faster than a walk.

WOODSIDE CHIRPS

In some way an item appeared in the Times-Gazette, last week, to the effect that Mrs. J. A. Folger had rented her home here for the season. Such is not the case. Mrs. Folger has but recently returned from her extended tour of the world and will occupy the home for the summer. Extensive alterations have been made in the house and Mrs. Folger will arrive the end of this week.

Mr. and Mrs. J. S. Donohue, Jr. (Mrs. Donohue is Mrs. Folger's daughter) are occupying the lodge at the Folger place for the summer. Mr. and Mrs. William Roth will arrive at their new home in a few days. A new cottage has been built for the chauffeur, and stables for Mrs. Roth's thorough-breds which include some of the best horses in the west. A quarter mile track is being built that these same thorough-breds may have their daily measure of exercise.

Lester C. Burnett, who for the past year has been living at the Greer place, locally known as the "adobe corner," has purchased the French place. Benjamin St. John has been spending this week in attendance upon the Congregational Church conference at San Jose. Mr. and Mrs. Frank Agnew of San Francisco, have been the guests for a part of this week of Mr. and Mrs. A. H. Audiffred.

Mrs. O. E. Blackington is proud of the possession of a very fine Chinese rug brought to her from China by Mrs. J. A. Folger. Mr. and Mrs. Blackington and family, Mr. and Mrs. R. Steln and Mrs. Shirley Wells made up a jolly fishing party at Marin's Beach on Sunday.

Our local baseball team met an overwhelming defeat at the hands of the Redwood Highlands team on Saturday. But they have promised us another chance and we will try to do better next time.

That meanest and most despicable of all human kind, the dog-polsoner, has found his way to Woodside. If his identity is established some hospital may as well prepare an extra bed for we of Woodside have no desire for the society of this particular variety of polcat.

METHODIST EPISCOPAL CHURCH
Clayton L. Peck, Pastor
Sunday morning at 11 o'clock. Mothers Day, will be observed with special music by the choir, and the pastor will preach a special sermon to mothers, subject: "Mother's Place in the Drama of Life."

Automobiles will be furnished to bring all mothers to the service who have no convenient way of attending.

It is hoped each person attending will wear a flower in keeping with the day, and every person who is absent from home will write their mother, if she is living, and if not living, sit down and write about her precious memory.

Your ability may not be measured by your income, but your ability to keep the wolf away is generally measured that way.

One way to rest the "tired business man" is to leave him off committees and permit him to remain away from diners.

The main thing wrong with society is that we are not able to own as expensive a car as our neighbors.

RUNNYMEDE PEOPLE SEEK CHANGE OF SCHOOL NAME

A petition was received by the Board of Supervisors at their last meeting to have the name of the Ravenswood school district changed to Runnymede. This petition was signed by a number of Runnymede residents and stated that as the school was in Runnymede and as the auditorium was used by the people of Runnymede for entertainments, etc., that the name Ravenswood was misleading and caused confusion. This petition was immediately followed by one from the Ravenswood Chamber of Commerce asking that the Board disallow all petitions asking for a change of the name of the Ravenswood school district. The second petition states that as the district includes much land that is outside of Runnymede, the change of name to Runnymede school district would be objectionable to the people of these outside tracts. The matter was laid over until the next meeting which will be on the 21st, at which time it is expected that those who are interested on either side will be present and give their views personally.

History Classes

Visit Lawmakers

All off the Sequoia Union High School invaded the county court house last Monday and spent the morning at the Supervisors' meeting. They were thus able to study law-making at first hand. In the evening two of the classes visited the town trustees meeting at the city hall and continued their lessons in community civics. ngunior in community civics.

To Leave for East Tuesday

Dr. A. Howard of Atherton will leave Tuesday with his wife for a two month trip around the United States and Canada. On their way the Howards expect to visit New York, Florida, Montreal and after a time spent in the Canadian Rockies to return by way of Vancouver. During the absence of the family for their beautiful Selby Lane place, the Howard home will be occupied by Mrs. Howard's parents.

Request Changes in Names

Shakespeare said, "What's in a name." Evidently some people consider that there is something in a name as petitions to change names are arriving at the county clerk's office quite frequently of late. This week John Joseph Mosinako has petitioned to have his name changed to John Lee Pierson. Mosinako claims in his petition that his name is hard to pronounce and is a disadvantage in business. Curtis Hutton Wood, has also petitioned for a change of name, asking that his name might be changed to Curtis Hutton. In the last case the petition states that he wishes to take his mother's name of Hutton, and that that name would be of greater business value to him. Wood is a member of the firm of Hutton & Co., the San Francisco stock brokers.

A book is your best friend. It never want to grow anything.

Toll Bridge Bill Signed by Governor

Senate Bill 490 has been signed by the Governor according to word received from State Senator M. B. Johnson yesterday. This bill, which was introduced by Senator Johnson at the instigation of the Dumbarton Bridge association will clarify the toll situation for the proposed bridge. It is a measure to replace the measure of 1872 and 1881 which are now out of date to the development of bridge construction and the replacement of the horse drawn vehicles by the automobile.

FRATERNAL AID UNION HOLDS SUCCESSFUL PARTY

The card party of the Fraternal Aid Union last Tuesday night was one of the big events of the local chapter of that organization. Twenty tables were filled and all present were treated to one of the most enjoyable of times. A number of prizes were distributed. Those holding high scores were for the ladies: Mrs. Baglion of Palo Alto, Mrs. George O'Sullivan and Mrs. Ted Fowler of Redwood City. The gentlemen's prizes went to Clark Rice, Axel Peterson and Mr. Nicholson of Palo Alto. Two door prizes were carried off by Mrs. Mable and Mrs. Graves.

Nomination Blank

QUEEN CONTEST

San Carlos, May 26 to June 3, 1923.

I hereby nominate _____

Address _____

This nomination blank entitles nominees to two hundred votes. Nominees entitled to one nomination blank only. Votes one penny each; not less than fifty votes to each purchaser. Votes when cast not transferable. For further information address, "Queen Contest" Dept., Peninsula Fair Association, Redwood City.

LAUNDERING LINGERIE DE LUXE

is a fine art and we are past masters at it. It is no easy matter to wash and iron those dainty, fluffy, lace things which are so dear to the heart of womanhood. But we do it to the women's satisfaction, as is evidenced by the large volume of this class of work we have. So much easier to have us do it than do it at home.

UNITED STATES LAUNDRY—Phone 11

Do you Cook Electrically?

Cooking by electricity is quick, clean, efficient and convenient.

Women appreciate the convenience with which the temperature of electric range ovens may be controlled. Some ranges have automatic temperature control. With either type, uniform results are easily obtained. Much cooking can be done on the heat retained by the heavy insulation of electric range ovens.

Ask a local dealer or at the nearest P. G. & E. office, for further information.

NOTICE TO TAXPAYERS

OF THE COUNTY OF SAN MATEO FOR THE YEAR 1923

All Taxpayers are required by law to annually make and deliver to the Assessor a statement, under oath, setting forth, specifically, all the real and personal property owned by such person, or in his possession, or under his control, at 12 o'clock meridian, on the

First Monday in March

Accordingly, you are requested to fill out the assessment blank in question and deliver the same at the office of the Assessor immediately, making oath thereto.

The property of all persons who refuse or neglect to furnish such statement will be arbitrarily assessed; and such assessment shall not be subject to equalization. Refusal to furnish the statement above required will subject the person so refusing to a fine of \$100.

Any information relating to the assessments will be furnished upon application to the Assessor's office.

D. P. FLYNN,
Assessor, San Mateo County.

NEWS OF MENLO PARK

The estates of Jno. Nally and Geo. Vincent afford good bargains. All the property of the estates are for sale at bargain. See the executors at once.

Twelve acres of the 23 of the Winchester tract recently bought by Lyon & Hoag for a client was sold this week to a San Francisco party for \$2,000 an acre. The firm paid \$1,500 an acre. This is to be the exclusive tract at Atherton.

Mr. and Mrs. George Angus have awarded a contract for the erection of a five-room bungalow on their property on Oak Grove avenue.

Dr. Whitewolf, a former chief of an Indian tribe, gave a lecture and a description of an Indian wedding at the Noel home to the Stanford students stopping there and to a number of friends. The lecture was highly interesting and instructive. The doctor was the discoverer of Tonopah, where he had valuable mining property in the days of the boom.

Fred W. K. Macdonald, who was born in Menlo Park 25 years ago and who is the son of Henry Macdonald, was married at San Jose last Tuesday to pretty Miss Alice Dickey, a New York belle. She was stopping at Pebble Beach, Monterey, and it happened that Young Macdonald was also residing there. The romance started. It was a case of love on first sight, and ended in the wedding of the young couple.

Miss Dickey had been in the West but a short time and was staying with her parents at the Del Monte. There were meetings on the golf links and flying trips around the romantic Seventeen-Mile-Drive, but that was all until Tuesday, when the Macdonald automobile tore away from daily paths and rolled up to the door of the Santa Clara county court house.

The bride's parents had very little liking of what was going on until the news reached them that the ceremony had been performed.

Mrs. John E. Neuman and her three pretty children, Mrs. William Crandall and charming daughter of Menlo Park and Mr. and Mrs. Cornelius Borker, the famous painter and their child of Carmel, will depart for Europe on May 21 for an extended trip. The party will see the great battlefields of the continent and all other points of interest before returning to America. John E. Neuman, the claims agent for the Southern Pacific Company, will maintain bachelor quarters in San Francisco, and this summer will go on a hunting trip to the wilds of Alaska.

The Wright California Players of Los Angeles, will present the great farce play, "In the Shadow of the Cross," in the Hall of the Nativity this evening. It will be the most adorable play ever written. It will be followed by a side splitting comedy of three acts. The hall should be crowded this evening for seldom is such a splendid performance seen in Menlo Park.

Seldom do we find an aggregation possessing so much real dramatic power, with so splendid and intellectual rendition of difficult roles.—Oxnard, California.

The powerful play, "In the Shadow of the Cross," proved intensely interesting and held the breathless interest of the large audience that filled the Shakespeare Club House on Wednesday evening.—Pasadena, California.

Six Months \$1.50

PESCADERO PEBBLES

After quite some interval Death again paid a call and paged in his visit Mr. Thomas Enos, one of our worthy pioneers. Mr. Enos was seventy years of age. Most of the time he has spent in Pescadero, where he came when quite young. He leaves a wife, Mrs. Violet Enos, and several sons and daughters. The deceased was buried in the Pescadero cemetery Tuesday, May 8.

The new Lathrop home out along the beautiful Butano creek, is nearing completion. The setting for this structure if nothing else must make this home one of the most attractive in the county. A crew of men have been at work for some time clearing the underbrush, which will be replaced by a magnificent garden, sweeping from the foot of the hills in the background down to the edge of the Butano itself.

Both the grammar and high school students are at work on plans for exhibits at the coming Peninsula Pageant of Progress to be held at San Carlos beginning May 26. The grammar school will be represented in quite a number of departments such as manual training, domestic science, Penmanship, and Art. The high school exhibit will be confined to a single object of joint student effort.

Fishermen are making consistent catches in all of the local streams. The best story brought in so far is that of "Pat," familiar to those who whip along the Gazeos. A silver-side of enormous size took his hook away from him on one day, but handed him back again on the next when Pat landed him with the hook still planted in the fish's gills. That's pretty good for so early in the season.

What is probably the first brick building of any pretension to go up along the Coastside this side of Hall Moon-Bay has been completed, so far as the brick work is concerned during the past week. The structure will house the new First National Bank of Pescadero, and will represent a permanent monument to the enterprise and the faith of the fine personalities who have brought the First National Bank and its splendid new building into being.

The full effect of a bank having been located can hardly be appreciated at this time. It is scarcely too much to say, however, that the whole financial and as a consequence the entire economic complexion of this part of the world will show a marked change. Money that would have been in banks elsewhere, and have been invested accordingly, elsewhere will have a greater tendency to remain "at home" and work "at home" and at home is where most things should work; when they do, home becomes a wonderful place. There's no place like it.

Mrs. A. Small has returned to the Point after an extended stay in East Bay region, where she has a host of friends.

DISCOVER TWO NEW MINERALS

Field Museum Expedition Brings Back Interesting Specimens From Brazil.

5-POUND TOPAZ ONE TROPHY

Scientists Tell of Mountains of Iron Ore of Finest Quality for Steel Manufacture—Vast Gem Fields Visited.

Chicago.—A topaz weighing five pounds, remarkable not only for its size but for its clearness, is among the specimens brought back to Chicago by Dr. Oliver C. Farrington, curator of the department of geology of the Field museum, who has just returned from an expedition to Brazil. The expedition traveled 2,000 miles through the diamond, gold and precious stone fields of the South American republic, covering more than 300 miles through the mountains of the State of Minas Geraes on muleback.

The specimens obtained include gold, diamonds, aquamarines, beryls, emeralds and topazes, besides a number of minerals of the rare earths. Doctor Farrington believes he has found one or two minerals hitherto unknown to science.

The five-pound topaz is one of a large number of enormous semi-precious stones obtained by the scientists but is small compared to a 25-pound topaz which they saw at one of the mines. The giant stone was valued at about \$75 a pound. Cut up and polished the grade topaz is worth from \$5 to \$10 a carat.

Visit Diamond Mines.
Diamond mines were visited in the region of Diamantina, 500 miles north of Rio Janeiro, in the center of a vast diamond bearing area. The stones can be mined only in the neighborhood of water for washing the coarse earth away. The diamonds are found in beds totally different from those in South Africa, the matrix being a quartzite composed of sands washed from older lands.

The semi-precious stones in the State of Minas Geraes are found in coarse granites or pegmatites so decomposed that the gems can be mined with a shovel.
The expedition visited Morro Velho gold mine, the deepest mining shaft on earth. Its lowest level is 7,000 feet below the surface. At this great depth the temperature of the rock is 117 degrees Fahrenheit, making it necessary to maintain an elaborate refrigeration plant on the surface to force cold air down to the miners. The deeper the shaft goes, however, the richer the ore found, so the additional cost of mining is more than offset by the returns.

Iron Ore Common.
Iron ore of the finest quality for steel manufacture is so common in this district, Doctor Farrington said, that his party rode for day after day over mountains, valleys and plains of solid iron deposits. Manganese, aluminum and other valuable ores were also found in abundance.

The Brazilians of the interior were almost uniformly friendly and willing to give every assistance to the scientists. Doctor Farrington reported, except in one town, where he was nearly mobbed when he came upon a mine that he intended to buy a gold mine which was to be sold at auction. The natives objected to a foreigner obtaining the mine and spent most of the night in a demonstration in front of the house where he was staying, shouting, exploding dynamite cartridges, singing and shouting derisively.

American automobiles, typewriters, sewing machines and other mechanical appliances were very common in the interior, and American movies enjoyed almost a monopoly, he said. Even the remote villages have their movie theaters where the American screen favorites are shown. Wild West films were the most popular.

Doctor's Fee a Loaf of Bread.
Vienna.—The physicians of Hottentot, a Vienna suburb, have established their fees on the basis of bread costs. One loaf represents an office call, one and one-half loaves an outside visit. In the rural districts a singular system is prevailing, but based on a measure of flour instead of the loaf of bread.

He Purchases a Book He Lent 52 Years Ago

El Dorado, Kan.—Hector Sinclair, El Dorado pioneer, purchased a book, "The Works of Josephus," last week from a second hand book firm at Albany, N. Y., from which he occasionally buys old volumes. He was greatly surprised, when looking at it, to find "Hector Sinclair, Delhi, N. Y., 1870," written on page 13.
The book proved to be the one presented to him in 1870 by a Baptist minister while he was working in Delhi. Mr. Sinclair loaned the volume to an old Scotchman, and shortly afterward went to western New York to live. Upon returning to Delhi a year later, he found the Scotchman had died, and the book had disappeared.
